FRANKLIN INSTITUTE, HARTFORD CITY, MASON CO., VA.

This Institute has been successfully commenced under the patronage of the Hartford City Coal, Mining & Manufacturing Company, for the benefit of FARMERS' and MECHANICS' sons and daughters. where they may receive the advantages of a superior EDUCATION to what has hitherto been offered them in Common Schools, at charges sufficiently low for all to embrace a complete Academical Education. It is now entering on its second session, and is de-lightfully situated on a gently sloping sandy emi-nence, overlooking the river Ohio, and only a short distance from the Steamboat Landing. The School Room and Teacher's Residence is held in that spa-cious building formerly known as the Brethren The room contains 2,000 squre fast, and is replete with every suitable convenience.

The heating and lighting apparatus is perfect having four large stoves, and 280 feet of window hight, and being elevated 16 feet above the roadway, making it the most desirable, healthy situation in second and the store of the stor imaginable.

There is also a Library and Reading Department attached, for the use of students, containing many excellent standard works, with monthly and weekly periodicals, to suit the desire of all parties, and it is intended hereafter, to add a Piano Forte, for the Ladies, as an accompaniment to the City Brass Band, now is full congration every exemine. now in full operation every evening.

The School is conducted by the Principal, aided by ants, male and female Assessants, male and female.

The male pupils are taught every branch of learning necessary for their future advantage, making them carable of entering on all such duties as may hereafter offer for their weal.

The female department are also taught every nec-
